

an inspiring CCYSB partnership highlight

Keller Williams Legacy West Team donates much-needed supplies for CCYSB clients!

On Thursday May 14th, members of the Keller Williams Legacy West team, located in Westminster, visited Carroll County Youth Service Bureau and delivered a truck load of much-needed donations for the agency's clients, including: non-perishable foods, personal hygiene supplies, toilet paper, learning tools, art supplies, device chargers, puzzles and other learning games and infant supplies, including diapers. "Many of our clients receiving remote services during this time of uncertainty have expressed the personal hardships they are experiencing, including needing these basic materials, such as food and personal hygiene supplies for their families, so we are very grateful for this generous donation!" said Lynn Davis, CCYSB Executive Director. Additionally, Keller Williams Legacy West also purchased several large storage bins to store the supplies safely... they always go above and beyond!

RED Day, which stands for Renew, Energize and Donate, is Keller Williams' annual day of service. Each year on the second Thursday of May, Keller Williams offices from around the globe celebrate RED Day as a part of their legacy worth leaving.

Carroll County Youth Service Bureau is a non-profit organization that has provided outpatient mental health and substance use services in Carroll County since 1972 and has grown into a multi-disciplinary behavioral health service practice that offers a range of treatments and programs for children, adults, and families in Carroll County.

For information about how you can support CCYSB, please contact Andie in our Development Office at 443-244-8139.

“
Making a difference in the lives of others and bettering the communities that we serve lies at the heart of the Keller Williams culture,” said Jim Blaney, RED Team Member. “RED Day embodies the generous spirit and commitment Keller Williams associates have to “giving back” to the cities and towns we live and work in.
”

CCYSB... Helping to make our part of the world a better place.
