Shelter Systems Limited: Herald Circle Founding Partner

Established over 44 years ago by the Hikel Family, Shelter Systems Limited was founded as a family business operating in Westminster, Maryland. The combination of lean manufacturing processes and a loyal, caring workforce enables them to quickly fill the varied needs of today’s builder with high-quality structural components, while focusing on the well-being of their employees and nearby communities.

In August of 2020, Shelter Systems Limited welcomed staff members from Carroll County Youth Service Bureau (CCYSB) to celebrate the launch of their “Have a Heart” Corporate Giving Circles partnership. Shelter Systems has committed significant philanthropic support for CCYSB’s continuum of mental health and substance services for children, adults, and families in Carroll County.
